The LCCF Newsletter is a bi-monthly publication of the Lutheran Conference of Confessional Fellowship. Faith should be followed by confession, and together with Christians of all times, the members of the LCCF publicly confess the truth of God's Word as found in the faithful, historic confessions of the church. By the grace of God, the LCCF traces its heritage to the Lutheran Reformation through the Synodical Conference. Following the example of the early Lutheran church, the members of the LCCF have found it necessary to fight the good fight of faith by responding to those controversies surrounding the dissolution of the Synodical Conference with confessions true to the inspired Word of God. We want to continue in what we have learned and have become convinced of, because we know those from whom we have learned it (2 Timothy 3:14). We invite all inquiries into our confession, our fellowship, and our publications. As a small group of Lutherans, it is our hope that all who read this little publication would scrutinize our confession, test it by the truth of Scripture, and, finding it faithful, would make it their own through the tender mercies of the Lord.

The Lutheran Conference of Confessional Fellowship

THE PURPOSE OF OUR CONFERENCE :

To preach the Gospel within the context of upholding all of Scripture;
To establish and provide for a godly fellowship among congregations and
pastors.

THE CONFESSIONS OF OUR CONFERENCE :

We accept without reservation the canonical Scriptures of the Old and New Testaments as the verbally inspired Word of God, and therefore as the sole and only infallible rule of doctrine and life. We also confess the following:

The Apostles' Creed
The Nicene Creed
The Athanasian Creed

WE CONFESS THE SYMBOLS OF THE LUTHERAN CHURCH AS PUBLISHED IN THE BOOK OF CONCORD OF 1580, BECAUSE THEY ARE A TRUE EXPOSITION OF THE WORD OF GOD:

Luther's Small Catechism
Luther's Large Catechism
The Augsburg Confession
The Apology of the Augsburg Confession
The Smalcald Articles
The Formula of Concord
